PATERNALISM

BUREAUCRACY - AUTHORITY

STUDENT IS NIGGER

Are we going to discuss and improve the situation?

Why not start now by phoning and provoking someone in this directory?

Alan Dudeck,

President,

UWSA.

The Executive

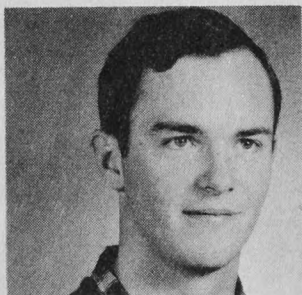

Bruce Parker — Internal Vice-President

The Internal Vice-President is responsible for all student activities and services which occur within the campus proper. He is Chairman of the Student Activities Board and will direct students to any groups in which they may wish to participate.

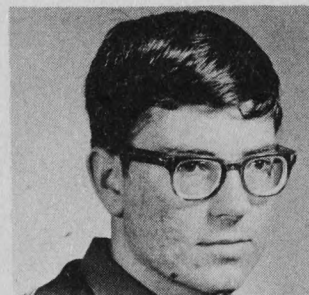

Ron Capelle — External Vice-President

The External Vice-President is the U.W.S.A.'s representative to the Canadian Union of Students and to the Manitoba Association of Students. He is responsible for the views which are expressed by our university in these as well as other external organizations. Be sure that your views are represented by active involvement on the committees established to deal with these external concerns.

Rick Dowdall — Treasurer

The Treasurer is responsible for all financial matters of the U.W.S.A. He approves all expenditures and must always be prepared to give an accurate picture of our financial situation.

Paul Nielson — Secretary

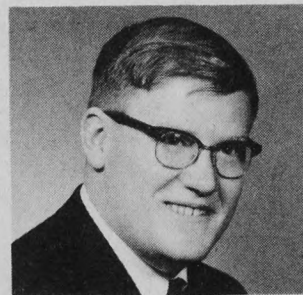

The Secretary is responsible for maintaining some sort of order in our records and correspondence. He works closely with our office staff and should provide students with a general picture of what is actually happening within the association at all times.

The Executive Office

Rm. 216 Bryce Hall
Phone . . . 774-1629

The UWSA General Office is found in Room 216 of Bryce Hall. Here one can find John C. Campbell, Business Manager, and Mrs. H. Belden, Executive Secretary, the two people who in many ways keep our association on its feet. Mrs. Belden is a mother-on-campus to all and John keeps us honest. They are always avail-

able during the day to provide assistance and information to students. Be sure to take advantage of the service with which these people can provide you.

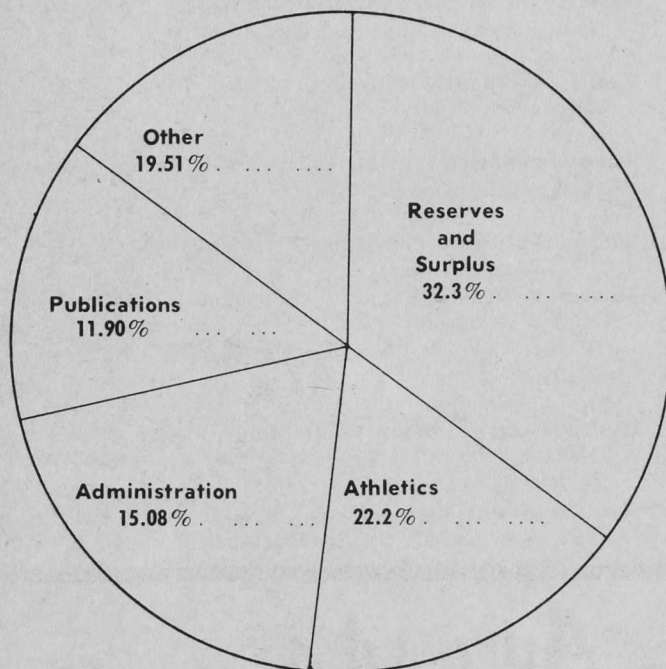

The Student Council Executive can be found in Room 307, Wesley Hall. These people are your elected representatives. Be sure to make your suggestions, problems, and complaints known to them. Appointments can be arranged with Mrs. Belden in the General Office anytime during the day.

The breakdown which you see on this page represents an approximate outline of the U.W.S.A.'s financial situation based upon the Preliminary Budget submitted to Council on July 4th, 1968. As you can see there is a large slice which has been labeled "Reserves and Surplus" (32.3%). What this means is that there is a large

portion of your student fee which will remain virtually uncommitted until the final budget is approved late in October. With this in mind you are urged to make your priorities for the coming year known to the Council and to the Executive so that when the final budget is passed it will represent **your** interests and concerns.

U.W.S.A. Awards

The object of the Awards system is to provide recognition for those students at the University of Winnipeg who have distinguished themselves in areas sponsored by the UWSA.

An individual is eligible to receive an award for his or her efforts in executive, service, and participation roles in these various activities.

The Awards Committee compiles a list of those students at the University of Winnipeg who have earned awards and determines the nature of the award to be given. In order to make this possible the Committee must receive all applications and recommendations early in March.

AWARDS AVAILABLE TO UWSA MEMBERS

a) The Wesley Award

The Wesley Award is the foremost University Recognition Award. It shall be awarded to a student in his graduating year who had made a major contribution to the UWSA during his years at the University. No more than three may be given in any one year.

b) The George Bryce Award

This award shall be given to any student who has made a significant contribution to the University, but of a lesser extent than merit's the Wesley Award. It may be given to undergraduate as well as graduate students. No more than five may be given in any single year.

c) UWSA Recognition Award

This Award shall be given to students who have served the University through the UWSA to a significant extent during the year in which the Award is given.

d) An award shall be given to the reporter on the Uniter who, in the opinion of the Uniter staff, has shown the most effort and interest in newspaper work during the year.

e) The UWSA Awards Committee shall also have authority to establish competitive awards in such areas as Debating, Theatre, or any other internal activity. The awards will be announced during the year.
